

PushApp

Screen inventory — POC build

Every screen currently implemented in the app, captured from the running Expo build at phone width (450×950).

12 screens · 2026-07-18

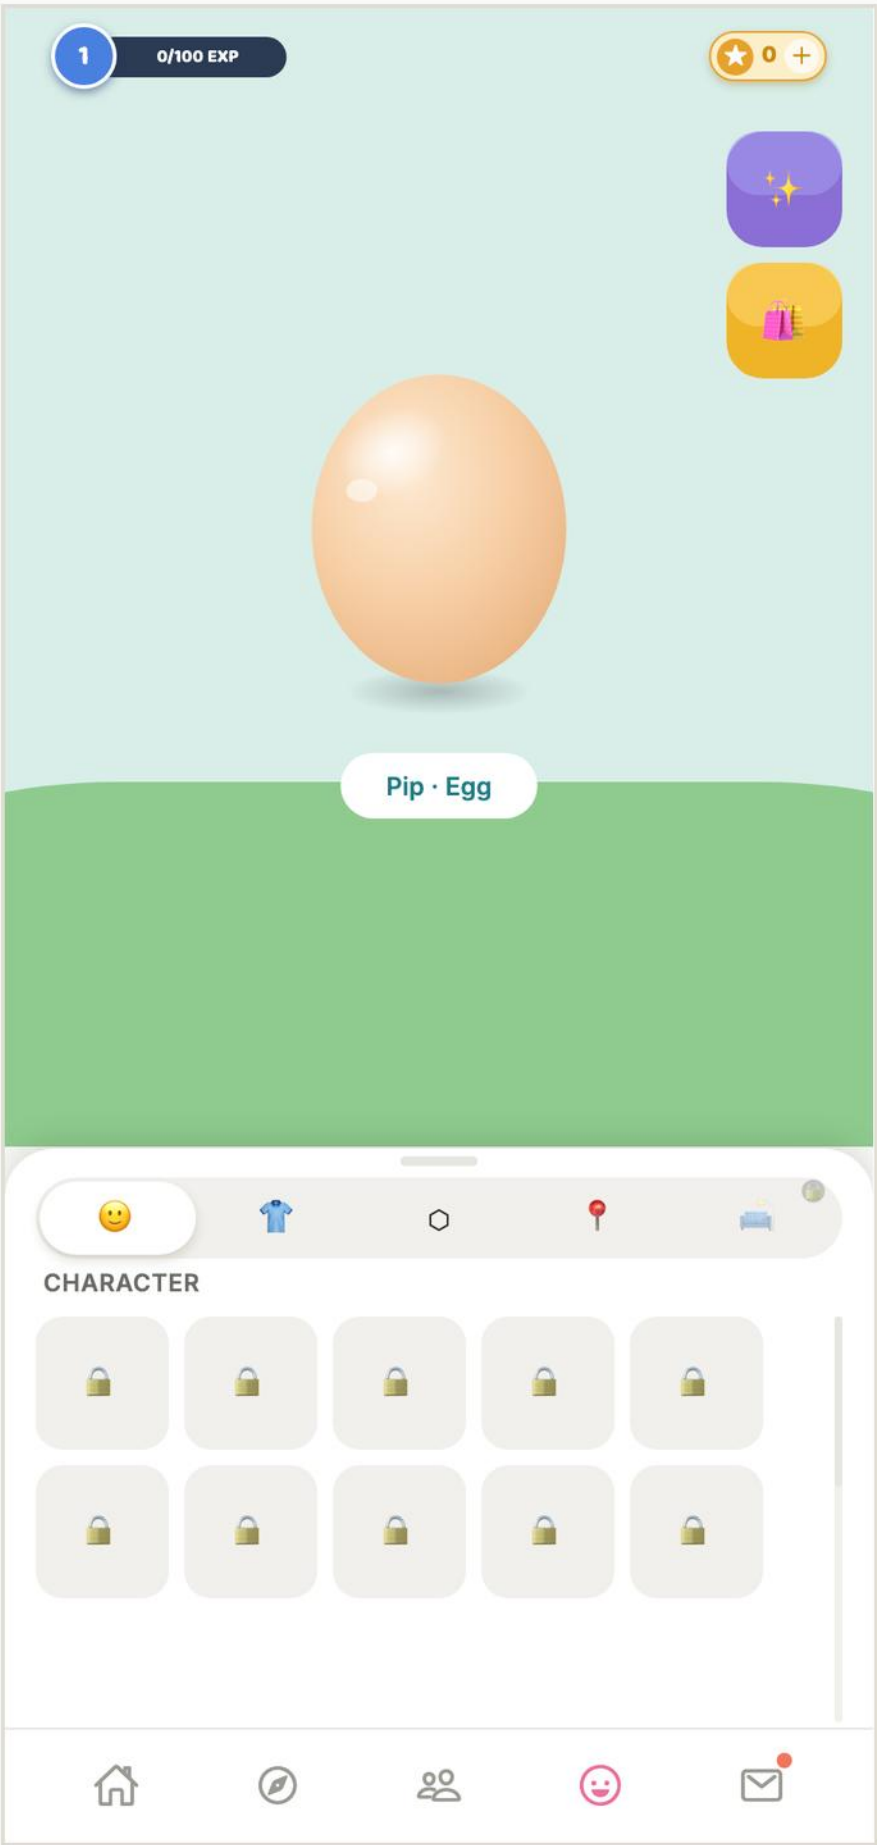

The action screen — “what should I do now?” Frozen Buddy zone on the forest scene, with the draggable Week’s steps panel resting below it.

Buddy

02/12

The companion's home — the Buddy in its scene, with the raised inventory sheet for browsing and equipping cosmetics.

Journeys

03/12

All active Journeys, each showing its current Phase and time remaining.
